Subject: Special Broadcast concerning early release Wednesdays

Band community,

At our first workday meeting today, we received more information about the early releases on Wednesdays. As you may know, school will be dismissed at 2:10 on Wednesdays. Despite previous information given to student leaders, here is the latest information:

- No rehearsal can happen before 3:10, either student-led or instructor-led (this may change after the beginning of the school year). Section leaders will be expected to arrange for other times to complete music and marching sectionals.
- Students who do not leave campus between 2:10 and 3:10 will be required to attend a study hall during that time. Our location is in the Commons area. This time must be used for silent, individual work; no practicing or changing clothes can occur during this time.
- Students planning to stay on campus for study hall on Wednesday must sign up with Mr. Myers on or by the preceding Monday. Mr. Myers must report this list of names to the front office.
- Rehearsal will begin at 3:20 on Wednesdays. As always, be prompt.

Thank you for your flexibility as we prepare for this change. Please let me know if you have any questions.
